Congratulations to all the award winners.

Why or why does it have to be the hottest day of the year when we run the Wye Valley Car Trial? That is three years running now that the poor marshals have virtually melted. Some of them had some breeze to help them keep cool – or perhaps I should say less hot – but thank you one and all. Hilary & Alan, Hazel & Mike, Kay and Phil, Chris, Ian, Nigel, Neil, Tom, Geoff, Roland & Jamie, Ed, Rob, Mike and Glenn were the stalwart many. Also thanks to Rodney who helped to scrutineer you all. They all receive a set of results as a token of our thanks for a super day's work.

We've found a disadvantage to making the signing on area a little more pleasant with a vase of flowers; when a brief gust of wind blows them over and water spills on the only calculator we had. Thanks to Ian for the loan of his i-phone to do the index calculations.

Apologies to those of you who found the M50 junction 2 entry closed on your way home – my exhaustive trawl for information last week was as uninformed as you then were. Sorry. Apart from that, we trust you all enjoyed your day in Herefordshire, and we hope to see you all at next year's event in June 2012.

It was great to see four Associations entering teams, with six teams in total.

As you can see from the above scores, the Team Trial trophy was won by the Association of South Western Motor Clubs with the same winning threesome as 2010. Can they make it a hat-trick in 2012?

Congratulations to them.
