My sincere thanks goes out to all the marshals listed below for their help.

**Arthur Whitlock, Rodney & June Green, Glenn Morgan, Alan Baker & Hilary Carrott and Richard Rogers**

Thank you to all the competitors who turned out and hope you all enjoyed the 60.3 mile route.

It looks like the one code board was removed and that the majority of crews had switched off once they returned onto the A40 for the final time. Again there were some close results although the fuel consumption of a few cars does look rather low.

Congratulations to **Paul** and **Sarah** who won their 1st Eco-Run!

Hope everyone comes out for Russell's 12 car in December.

**Matt Rogers**
