As explained at the start, it is not a race or a rally, and you had until 2200 to get to the finish without penalty. You all easily achieved that.

The two narrow lanes on May Hill (just after the start) are tricky to find. A tough start.

The Codeboard on Gypsy Lane was missed by three crews. The WNW approach to 685 246 should have 'forced' you round that way.

Travel sickness is an unfortunate fact of life for many people, and that doesn't reflect on Adam and Richard's navigational abilities.

I will put another one on in the autumn, I'll confirm the date to you when I know it myself!
