I trust you enjoyed the 20 mile route in Gloucestershire. Well done to Fran for navigating Dad round without penalty. As explained at the start, it is not a race and you had until 2200 to get to the finish without penalty. Unfortunately, Ed and Jack were five minutes late. There doesn't appear to be any pattern as if you all went wrong in the same place, but I guess a couple of you got short for time. Don't forget that this is the first time that you have done this, and it isn't necessarily something that you are all going to do well at first time. Practice makes perfect and if you want to try again, the same event (with a different route!) will happen on 20th January.
