

Thankfully the late summer brought a great day for us and kept all of us dry well almost all day anyway. Congratulations to Kevin Belcher for a solid run all day to claim a deserved win.

My thanks must go to Strensham Services for the use of their excellent venue once again. A massive thank you to all the officials for all the hard work they put in, especially Will Rogers, Russell Joseph, Matt Rogers, Phil Haines & Rob Gillett on the time keeping, Rodney Green & Vic Lockley for scrutineering, Arthur Whitlock for keeping all the spectators in check Simon Harris for helping me setup the site on Saturday and Nigel Smith & Rob for helping unload all the equipment after the event.

It was a long hard day for all of them but one that I think was tremendously rewarding when everything went as planned and we saw the smiles and heard the comments from competitors.

We hope you all enjoyed your day's motor sport and hope to see you all and more (tell all your friends about Solo) at next year's event.
