Congratulations to all the award winners.

Considering we had a number of Solo virgins competing on the day, I was pleased about how smoothly the changeovers went and how little I had to go chasing people; so thank you to all of you competitors. It is appreciated that you had some wet and cold weather to put up with on the occasions of your marshalling, however, my greatest thanks go to the stalwart timekeepers for enduring the wind, rain and hail for all of the day. So thanks to the timekeepers from the Ross Club, Rob & Matt R (who also scrutineered), Matt H, Russell, Gregor, Phil and Andrew (whose father was competing and who volunteered to help). Then afternoon assistance from Vic, and thanks also to Arthur for keeping the public at bay, Neil for keeping the scores efficiently up to date and posting results quickly throughout, and Rodney for making the marshalling system work smoothly. As a final flourish, it snowed during the awards presentation.

0920 briefing, 0950 start, 1250 to 1335 lunch, 1625 finish, and I left the site at 1725 with a full van of kit. Thank you to all of you who did your bit with stacking cones, bundling tape etc at the end – a little work by a lot is so much better than a lot of work by a few. Well done and thanks.

We hope you all enjoyed your day at the Spring RosSolo. If you did, please tell your friends and anybody else in motor sport about SOLO, because that is the best way to promote this exciting, entertaining and inexpensive new discipline within Motor Sport in this country. If you didn't enjoy the day, then please let me know where we can improve. We hope to see you all on 27th September at our Autumn RosSolo on the same site at Strensham.
