

## Regularity Two

Section Timed to the Second

Regularity Start at RS2 413<sup>3</sup>/<sub>4</sub> 324<sup>3</sup>/<sub>4</sub> SSE

Coloured Roads Only

Proceed via the following map references in order

**1. SW 394 274<sup>1</sup>/<sub>4</sub> S**

**2. N 374 226 WNW**

To End of Regularity at SE 330 209<sup>3</sup>/<sub>4</sub>

At EOR, depart NE on A465 to RS3

### Speeds

Start at 28 mph

3 miles after RS2 reduce to 20 mph

8 miles after RS2 change to 30 mph, to EOR.

NOTE. On joining the A465 at map reference 1 above, it is suggested that you do not dawdle at 30 mph on this fast wide A road. There are (admittedly good, traffic sensitive) traffic lights on entering Wales over the River Monnow in a mile or so, and if you are delayed there, we wouldn't want you going too fast on the wide yellow after these.....
