Congratulations to all the above competitors.

Some Bare Facts. There were 46 starters and 43 classified finishers. Because of the road blockage 15 time cards were handed in between 1815 and 1819. The results were therefore slower than usual with more queries than expected (roughly half being our errors) and provisional at 1924, final at 1954, and the awards presentation started immediately afterwards.

Photos from the event will be up on www.daisyroot.com in the very near future. If you want proofs sent to you by post, please contact me.

There are too many people to thank for all their work towards the event, and I'm bound to miss someone. Four people I will pick out, however. To Leslie Neal and my other half Angela for helping me with the results, a very big thank you – couldn't possibly have done it without you! The two Chief Marshals, Rob Gillett and Phill Sanders worked tirelessly under difficult circumstances to find enough people to man all the road controls. Thanks, chaps, it was worth it in the end.

Finally, thank you to the competitors for supporting the event. We hope you enjoyed your day in the Welsh Marches and we look forward to seeing you all next year on.

Simon, Rob, Phill, Dave, Graham and the rest of the crew
