F' means a fail for a non-visit. 'f' means a fail for a wrong approach. e means early arrival eg 2e means 1 min early.

Codeboard FC at PC2 (MR 744260) was not seen by anyone, and was not in position when I collected all the boards after the event, so that penalty has been deleted from the results.

Codeboard GN at PC17 was in position when collected. It was at approx Map Ref 774311. However, I forgot to tell you to avoid the telephone box in that GS, so that has been deleted too!

I hope you enjoyed the short route with some 41 miles of Herefordshire and Gloucestershire lanes. Interesting under-wheel conditions though, perhaps.

Many thanks to the marshals:- Angela, Mike, Stuart, Keith, Russ and Neil
