The **Clubmans** event is not a round of any championship or series.

| Taking an incorrect route on any course. | Maximum Time |
| (however, returning to the point of departure from the correct route, and then completing the route correctly will not be penalised, except as immediately below.) | |

- The Maximum Time is the quickest time in class for that course, plus thirty seconds.
- 18** The better two runs from three attempts at each course will count for results. If time presses late on, then only one run from two attempts at the last course will count. In the event of a tie, the fastest run on the first course will determine the tie, then the second fastest run on the first course, then the fastest run on the second course etc until the tie is resolved. To be classed as a finisher, a competitor must start at least two runs at all courses bar one: i.e. if there are four courses, a finisher must attempt at least two runs of each of three courses.
- 19** The courses will be depicted by numbered cones. Course designs will be in the competitor's pack which will be issued after successful completion of signing on.

Timing will be by hand held stop watches to the previous tenth of a second.
Timing will start as the front wheels cross the timing start line, and stop when the front wheels cross the finish line.
- 21** The STOP signal may be displayed because of an obstruction on the course, whether this be object or personnel. A competitor must stop immediately on deployment of the STOP signal, and a re-run will be allowed (except for a competitor causing a stoppage). The STOP signal will be demonstrated at the driver's briefing.
- 22** All other General Regulations of the MSA apply as written, except that:-
- All competitors must walk each course before the timed runs start for that course.
 - No practicing will be allowed.
- 23** Although the Social Club on site has closed, we have arranged a 'breakfast van' to be in attendance from 0800 until competition starts. However, lunch will be 'up to you'. There will be portable toilets on site.

We hope you enjoy your day's Motor Sport
