Congratulations to all the award winners.

Although you mostly marshalled yourselves, there were Ross members assisting as timekeepers from the Club – Stuart, Rob, Keith, Steve and Bob. Also to Keith and Rodney for scrutineering, Stuart for signing you all on, Neil and Fiona for keeping the scores up to date and Bob for making the marshalling system work smoothly. Finally to Glenn for the use of his van for kit transport Saturday and Sunday.

Most of all though thanks go to all you competitors who *did* listen to me at the briefing and who *were* ready to drive or marshal when it was your turn. Thank you. It did save a tremendous amount of time and we were able to fit the whole programme easily into the day. Well done.

The photographer took some excellent shots of you all. Once they've been uploaded, you can always look at (and maybe purchase) the pictures on their website [www.daisyroot.com](http://www.daisyroot.com)

We hope to see you all on 17th September back here at Mitcheldean for our Autumn RosSolo.
