F' means a fail for a non-visit. 'f' means a fail for a wrong approach. e means early arrival eg 2e means 1 min early.

Car 5 was OTL at the final Main Control, and therefore cannot be classified as finishers. Unfortunate, considering they found most of the codeboards.

I hope you enjoyed the route with some 52 miles of Herefordshire and Gloucestershire lanes. Although muddy in places, at least we didn't have the ice this time.

I hope you will be able to enter the 8th March event on maps 161, 162 and 149 . And more in the autumn.....

Many thanks to the marshals:- Rob, Mike, Glenn, Stuart, Owen, Keith and Russ(DSO) who stoically withstood some unpleasant rain.

Simon
