

THE BLUEBELL RUN

Ross and District Motor Sports Ltd.
Saturday, 11th May 2019

Final Instructions

If you cannot take part in the run please advise us a.s.a.p. as we have reserves waiting.

The **Start** of the run is at Hopewell Colliery, Cannop, near Coleford, GL16 2EL Map Ref. 162/603114 For those of you with an ordinary Road Atlas (we recommend you bring something for your own peace of mind), Hopewell Colliery is situated 4 miles west of Cinderford. From Gloucester, follow the A48 towards Chepstow. At Elton, (**petrol station**), turn right onto A4151 signposted Littledean and Cinderford. Go through Littledean and at the top of the hill go straight on, B4226 sign post Coleford. In 4 miles turn right into Hopewell Colliery car park.

From the Severn Bridge and Chepstow take the A48 to Lydney then take the B4234 to Parkend and follow brown signs for Hopewell Colliery. From Monmouth take the A4136 then follow brown signs to Hopewell Colliery. From Ross-on-Wye take the B4234 through Lydbrook, cross the A4136 and follow brown signs to Hopewell Colliery

Upon arrival, park neatly in the car park, get the scrutineer to check your car and then take the Scrutineering Card into the cafe and 'sign on'. The scrutineer will check your MOT (where applicable). Fix the souvenir number plate to the front of your car with the two cable ties provided. The Clerk of the Course's mobile 07802 170514 will be on from about 07:00 if you have a problem. This mobile is usually always turned on. There are **fuel** stations on the event route after 9 and 130 miles. The fuel locations will be identified in the Road Book. There is fuel in the Ross area finish. **Recommendation**, start the run with a full tank. See over for Fuel Locations.

The car park and the Café at Hopewell Colliery will be open from 07:00 for you to purchase a hearty breakfast, snacks or just a hot drink. The Clerk of the Course recommends the breakfast.

Please arrive at least 45 minutes before your start time, and in time for the drivers briefing. To calculate your start time add your competition number in minutes to 9.00 am.

The following documents should be available for inspection:

Current vehicle MOT Certificate, where applicable, for the car being used.

There will be a Driver's Briefing at **08:45**, which all entrants should attend.

There may be a photographer out taking pictures.

If you are **caught** by cars following you please **pull over** and let them pass as soon as possible as some drivers like to go a little quicker than others.

I would like to remind you that this is scenic tour, not a race. Adequate time has been allowed to travel the route at a touring pace, with extra time to stop at various viewpoints and places of interest. The organisers will take a dim view of any driving standards, which may bring motor sport into disrepute, and will take appropriate action. Take your time and enjoy the sights.

Let's keep our fingers crossed for a warm, dry, sunny day to enjoy this beautiful part of England. See you on the day.

Stuart & Will
