No competitor may win more than one award.

16 Provisional results will be announced as soon as possible following the end of the event and declared final as D26.1 after 30 minutes. Awards will then be presented.

17 Any protest must be lodged in accordance with C5.

18 Competitors will be identified by numbers which will be supplied to competitors by the organisers. These must be displayed in a prominent forward facing position on the car. Although competitors may keep their own scores, the Marshals' check sheets will be the defining scores for competitors' marks on the sections.

19 The event may contain some sections with a restart. This will be indicated by a pair of posts with an 'R', on either side of the section. Competitors will be required to stop their car astride this line. Once stopped, with the handbrake applied, the restart marshal will lower his/her flag and the car will be required to restart. The car should clear the line with its rear wheels within ten seconds of the flag being lowered, and continue up the section in the normal way. The penalty for failing to stop astride the restart line, or failing to restart within the time, will be the same as if the car had stopped in that position if there had been no restart present.

20 All marshals are deemed to be judges of fact regarding marks lost on sections and restart penalties. The marshals' signing on sheet will be displayed at the signing on area before the start of the competition.

Ross & District Motor Sports Ltd are grateful to Mr Paul Chapman for the use of his land.

We hope you enjoy your day's Motor Sport
