## EXTERNAL MARSHALLING CHAMPIONSHIP REGULATIONS

- 1 Each marshal must be a fully paid up member of R&DMSC at the time of marshalling on (or organising) the event for which points are scored. The Championship will run from 1<sup>st</sup> January to 31<sup>st</sup> December, or in parallel with the External Championship as decided by Committee.
2. The marshal will need to claim points by informing the Championship Secretary of the event that the contender marshalled on. No proof will be required, but spot checks may be made. If claiming points for an event after 1<sup>st</sup> November, notification must be given to the Championship Secretary before 10<sup>th</sup> December that points might be claimed. This is to allow the Championship to be finalised on 31<sup>st</sup> December. Without this notification, points may not be awarded.
3. Events to count are all events (authorised by Motorsport UK) not in the Ross Club calendar. However, points may not be claimed by those who are representing Motorsport UK at events.
4. Two points will be awarded per event; whether the event be a multi-day event or not.
5. Ties will be separated using the following criteria in order:-
  - a) Greatest number of different type of events marshalled.
  - b) Any other devious means that the Committee can dream up.
6. Awards will be presented for the following final positions:-

First Overall

Second Overall
7. There is no fee to enter the Championship, it is FREE.
