

Hatsford Targa 2026

Bulletin 1

In memory of Andrew Manston

The organisers of the Hatsford Targa 2026 are saddened to report the passing of Andrew “Andy” Manston on 24th July 2026.

Andy was a familiar and much-valued presence at the event, serving for many years as official photographer. His photographs captured the spirit of the competition: crews pushing hard over the jump, enjoying the tests, and greeting the camera with a wave or a smile.

His contribution to the event and to the wider motorsport community will be warmly remembered. We extend our sincere condolences to Andy’s family, friends, and all who knew him.
